

	<b>Environmental Policy</b>	Rev No.	1.0
		Date	01.06.20

At Forbes Packaging, we are committed to sustainability and industry best practice in environmental performance.

Forbes Packaging is committed to sustainable manufacturing, and to minimising any adverse impact on the environment resulting from our business activities.

To deliver this commitment we will:

- Identify and manage environmental risks and, wherever practicable, eliminate the potential for adverse environmental impacts.
- Minimise potential or actual effects through considered manufacturing practices.
- Set annual environmental objectives, programs and targets and adopt controls and methods for continuous improvement.
- Confirm effects by monitoring and reviewing these objectives, programs and targets against outcomes.
- Comply with all consent conditions and relevant environmental legislation, regulations, standards and codes of practice.
- Provide appropriate training and information to ensure all workers are aware of their roles and responsibilities in ensuring sustainable work practices and promoting environmental awareness across Forbes Packaging.
- For the activities we conduct, whether that be purchasing, waste disposal, production or advice to our customers, we will factor in considerations for reducing resource use, preventing pollution and minimising waste.
